WHY APPLY TO THE TAIWAN INTENSIVE SUMMER LANGUAGE PROGRAM?

“"A year’s worth of material is a lot to learn in two months, but the courses were structured so that it was definitely possible.”"

- Kathryn V. (2017)

“"[From our conversation partners] we were able to understand how it is for a student our age to live in Taiwan. It is a window to what we truly want from an immersion program and that is to be as close to the culture as possible.”"

- Mishel K. (2016)

“"If I had to name my ultimate favorite thing about my experience in Taiwan so far, it would be my teachers. I love being taught by amazing passionate teachers who truly care about their students.”"

“"I am really glad to see significant improvement in my Chinese from eight weeks ago. I have had several people tell me that they have noticed, which has been gratifying to know that this program really challenged me to improve.”"

- Twyla L. (2019)

“"I felt so safe and important throughout the program and the people really made the whole experience memorable for me.”"

- Annie S. (2016)
